jankluetsch.info

Commercial leader combining four years in top-management consulting at Porsche Consulting with operational experience as Head of Sales in a Hamburg B2B SaaS scale-up. Strategic depth meets hands-on execution. Designs business models, growth strategies and KPI structures, builds sales and commercial organisations, and leads cross-functional teams. Experience across all company stages, from Series-A startups to global corporates.

■ PROFESSIONAL EXPERIENCE

Porsche Consulting

Hamburg · 04/2021 – 09/2025

Manager / Project Lead, Brand & Sales Practice

- Led cross-functional project teams of four to eight consultants; presented and aligned outcomes directly with C-level across global OEMs and mid-sized clients
- End-to-end commercial strategy for a mid-sized auto subscription provider: segmentation, product, pricing, sales structure, CRM and ways of working
- Market-entry and scale-up strategy for a hardware startup in the transport sector (Series A): go-to-market design, pricing logic, channel strategy
- Sales performance programme for a mid-sized logistics company
- Data-driven sales strategy for automotive retail groups in Germany and France, including simulation-based decision tool
- Mobility-Solutions strategy and portfolio definition for a global automotive OEM, including the acquisition of a leading European mobility provider
- Initiated and co-led the introduction of Salesforce as CRM; member of the Generative AI taskforce

Wunder Mobility

Hamburg · 03/2019 – 03/2021

Head of Sales, B2B SaaS Scale-up

- Built and led the "New Ventures Pod" (7 people: SDR, Business Development, Account Management) in an international B2B SaaS scale-up
- Owned the entire B2B funnel (inbound, outbound, account expansion); drove MRR growth of up to +30 % per quarter
- Built a lead-generation engine in close cooperation with performance marketing
- Redesigned the commercial organisation for growth and customer centricity: team structure, KPI framework, CRM setup (Pipedrive), reporting
- Worked cross-functionally with leadership, product, marketing and customer success

Google

Dublin · 07/2018 – 11/2018

Large Customer Sales Search Specialist (Business Intern)

- Q4 strategy and coordination for the German retail market from Dublin HQ; portfolio > USD 600m
- Identified growth opportunities through data and rolled out scaled initiatives with Central Europe stakeholders
- Reported into Retail leadership in Germany and Ireland

Simon-Kucher & Partners

Cologne · 06/2017 – 08/2017

Associate Consultant

- Global B2B/B2C pricing transformation for a leading electronics manufacturer; developed an automated price implementation tool
- Value-based pricing model and tool design for an international robotics company

Mankiewicz Gebr. & Co.

Hamburg · 04/2014 – 04/2016

Global Key Account Manager

- Youngest Global Key Account Manager in the company's history; managed Toyota globally and was market lead for UK, India and Japan
- Grew the assigned account volume by +30 % within one year
- Consultative sales of technically complex coating systems to global OEMs, suppliers and paint shops, including regular international customer visits
- Managed complex stakeholder structures along the full automotive value chain: coating development, project management and claim management

■ EDUCATION

Stockholm School of Economics & Nova SBE

Stockholm / Lisbon · 08/2016 – 06/2018

Double Degree: MSc International Business + CEMS Master in International Management

MSc GPA 4.79/5.0 (Top 5 %) · CEMS GPA 4.85/5.0 · SSE President's List · Gunnar Hedlund Scholarship for best Master's thesis of the cohort

Nordakademie & Mankiewicz Gebr. & Co.

Elmshorn / Hamburg · 08/2010 – 03/2014

BSc Industrial Engineering & Management (dual study programme)

Final GPA 1.6 (Top 10 %); semester abroad at UCES Buenos Aires (all courses in Spanish, GPA 3.8/4.0)
